

Ocean Pines Ladies Golf Association

To new and current members of the OPLGA 2024 Season –

Our goal is to welcome all women to the Ocean Pines Ladies Golf Association while learning and enjoying a lifelong game regardless of your skill or level of play. We strive to encourage and expand everyone's understanding of the game while providing an opportunity to have fun and foster new and old friendships.

Our mission at OPLGA –

“Together as a league we are committed to fostering friendships through the game of golf while providing value and support to our community. “

League play is on Tuesday mornings beginning April 9th and ending October 30th.

Tee times begin at 9:00 am during the cooler months and then move to 8:30 am as it gets warmer.

Those wishing to play 18 holes will tee off first following 9 holes. Players are welcome to walk and will have the last tee times of the morning. Greens fee is \$35.

We collect \$3 each week for the weekly prize pool. Most of the games allow you to play your own ball and keep your individual score. League play consists of Individual and team events. Threesomes and foursomes will be set by the pro staff each week. We'll also have voluntary "Chip-ins" on Tuesdays. The Chip-in participation is \$1 per week and is voluntary. In addition to weekly games, we have Member/Member, Member/Guest, and Bring a Friend Day. Governors' Cup and the Club Championship finishes out our season.

With the World Golf Association Handicap System being implemented, scores must be entered immediately after play. The Pro Staff will enter scores for Tuesday play. You are responsible to post rounds played outside of league play.

WDGA is open to OPLGA members. WDGA leagues travel to other courses for matches. We currently have two traveling travel dates scheduled for 2024. More information on WDGA will follow.

League dues are \$75 with \$35 earmarked for your GHIN membership, \$1 towards the "Hole-In-One" fund and the balance to OPLGA.

We have added a few off-season opportunities for our OPLGA members this year including Putter's Club, monthly clinics with Ruggieri Golf, free 30-minute session in the simulator with Bob Beckelman and discounted rate for golf performance training through Empower UPT. As they say, "Athletes are made in the off season"!

OPLGA along with OPMGA host a "Pink Lady" Tournament in October. This is a fun, 9-hole scramble with foursomes competing with a team score and a pink ball score. All donations go to AGH to help pay for mammograms for those who cannot afford the procedure.

Feel free to call with any questions you might have. And always check our Facebook page for golf events and other activities here at Ocean Pines.

We invite you to join us and have fun making lifelong friends on the golf course. Looking forward to another great year with the Ocean Pines Lady Golfers!
