

# JOIN THE OCEAN PINES TEAM!

PGAJLG.com

Boys and girls ages 7-13 are invited to join Ocean Pines Golf & Country Club's inaugural team for the 2016 season of PGA Junior League Golf! We will be competing against other teams in the area and enjoying golf in a fun, social and inclusive atmosphere. The season, which will run May-June, will consist of 5-6 regular competitions, practices and the opportunity for advancement to post-season play. ALL participants will play in every competition, and advanced skills are not required. If your child can drive, chip or putt, we have a role for them on our JLG team! \$125 per player includes greens fees, team jersey, balls and bag tag. For more information or to register, call the Golf Shop at 410-641-6057.
